Perfect Points Awarded: 30,500

Having enjoyed our new build for nine months and overcoming many of the challenges that doubling a school in size presents, we have decided, in these final weeks of term, to trial some solutions to problems that have been identified recently.

These problems are:

1. Reception and Y1 teachers being unable to maximise their outdoor learning area due to younger siblings and pupils playing/moving/taking learning resources set out early in the morning.

2. Children on bikes/scooters playing at the top of the drive in the morning/end of school.

3. Younger siblings and Chad Vale pupils using the drive unsafely at the end of the school day.

The solutions to these problems are (from Monday 18th June);

1. Reception and Year 1 parents with buggies/pushchairs will now enter school through the studio hall. These doors will be opened at 8.45am. All other Reception/Y1 parents enter through the end fire doors of the new build. This will allow us to lock the green gate at the side of the new build and set out the rear playground area for learning throughout the day. At hometime, parents may pick up as normal; please collect from your child's classroom exit doors, as you have been since October.

2. Children arriving at school on bikes or scooters will need to lock their bikes/scooters away on arrival and ensure that they are safely on the playground. Could parents please remind any bikers/'scooterists' that they **MUST NOT** play at the top of the drive in the morning or after school as we receive deliveries throughout the day. Please note that from September, any child arriving on bikes/scooters must wear a helmet.

3. Our crossing patrol reports that there have been a number of occasions recently where Chad Vale pupils and their younger siblings have arrived at the bottom of the drive unsupervised. Could all parents/carers please ensure that once you have exited the gate from the playground you are aware of where all your children are. Please also remind your child that it is NOT SAFE to walk behind either of the 2 green shipping containers or on the grass verges as they make their way down the drive.

Thank-you for your co-operation in this matter.

Please note NEW arrangements for mornings for Reception/Y1 children!

Class 6 Business Challenge is the creation, production and distribution of a brand new magazine, the CHAD MAG!

They are looking to sell advertising space in their magazine– see poster on right. Copies of the magazine will be sold to parents and carers and some free copies will be distributed to the local community.

The initial production run is estimated at 500 copies, so the advertising costs are indeed a BARGAIN!

Please contact the Editor in charge, Amina Mekic (Y6) at the email address on the poster!

Include YOUR advert in Chad Mag!

We all love reading the school newsletter, but don't you wish you could place an advert for your business? Well here is YOUR chance!

Quarter of an A4 page: £6.99 – (Colour additional £1.00*)

Half an A4 page: £8.99 – (Colour additional £3.00*)

Full A4 page: £14.99 – (Colour additional £5.50*)

Chad Mag is the new magazine everyone at Chad Vale wants! Many people want it so YOUR advert will be broadcasted everywhere!

Please support our Y6 Business Challenge! All money raised from adverts goes towards improving our school!

For more information, please email us at:

schoolmagazine@chadvale.bham.sch.uk
