

Eco-Schools Committee Meeting Agenda

Date: 17/06/10

Chair: Kiana Morris

Co-Chair: P. Sansom

Apologies: Mandy Argus

1. Welcome

Kiana welcomed us to the meeting

2. Meeting Rules

Kiana reminded us of the meeting rules and how to behave in it

3. Composting

Caroline bought Mrs Williams along and she told us about composting caddys and composing monitors for each class. Mrs Williams then added different ways of doing this.

- 1 for KS1, 1 for KS2 and 1 for the kitchen in the cafeteria.
 - Each class has a caddy and a compost monitor that empties the waste into a big bin
- Or*
- There is a three bin system, (so the compost can 'cook') an Autumn bin, a Spring bin and a Summer bin – even if a bin wasn't full at the end of a term you would still go onto the next bin

4. Eco-Code

Kiana then showed us three Eco – Codes we could use for our own Eco - Code, at the end of the meeting we voted for the one we thought was best (which was written by Emily in Class 5)

5. Silver Award Criteria

Mr Sansom showed us the Silver Award success criteria and what we should do to work towards it.

6. Review progress on Action Plan

Kiana showed us the Action plan that Benedict Williams, Jamila Wright and herself had made she went through each of the things on the plan. Mr Sansom then highlighted in red, orange or green all the words – red being 'not done yet', orange being 'in progress' and green being 'done'.

7. AOB

In AOB we discussed squirrel proof bird feeders and we decided it will be in the next agenda
