Dear Parents,

I am delighted that so many children at Chad Vale have a stunning attendance record, many of them are 100% attendees! I am also very grateful for the increasing number of parents who though tempted to take their child out for an inexpensive holiday have chosen not to. Thank you; this will pay dividends for the future success of your child.

May I remind parents that if your child is off school because of illness then you must ring school to explain the absence. If we do not receive a phone call (or e-mail) then we will contact you for an explanation. There have been a couple of incidences when we have not been able to contact parents immediately; please ensure that any numbers we have in school to contact you are correct. In an emergency it is imperative that we can contact you or a relative.

Thank you.

Robin Haselgrove

Thank you for helping to make our harvest month of October such an amazing success!

Your generous donation to Birmingham Central Foodbank will help to provide emergency meals for families with children living in our local communities who are in crisis.
