Working closely with your school, Evolve Sport helps to promote new initiatives whilst enhancing current physical education and sports provision. Our vision is to integrate sport, education and well being into a unique opportunity that is essential to fundamental child development.

The **SFI After School Club** incorporates a coaching pathway that allows children to step beyond their vision and capabilities in the experienced hands of our coaching team. All staff are FA qualified, first aid trained, fully insured, CRB background checked, educated in child protection and continually assessed as part of our ongoing training procedure. Evolve Sport is pleased to be working in conjunction with you and your school to form a partnership that will provide a wonderful experience for your child.
