

## **I.C.T Vision Statement for Chad Vale Primary School**

At Chad Vale we aim to create enthusiastic, motivated, "lifelong learners" through the extensive use of ICT to enhance learning and teaching.

### **For learners:**

- Pupils are engaged through enriched multi-media learning experiences.
- Pupils use ICT to enhance their learning and deepen their understanding.
- Pupils extend their learning beyond the classroom.
- Pupils are empowered to take control of their own 'e-learning' and understand how to stay safe.

### **For teachers:**

- Teachers use a wide range of ICT to plan, deliver, assess, evaluate and improve the curriculum.
- ICT enriches learning for pupils through risk-taking and innovation.
- Teachers are experts in their field and share their knowledge, skills and experience in and beyond the school community.
- Teachers provide the opportunity for extended 'any time, any place' learning.
- Teachers are empowered to give pupils opportunities to learn in different ways through new technologies.

### **For parents:**

- Parents support and understand the e-learning of their children.
- Parents can access data and information that allows them to support, nurture and develop their child so they are able to achieve their potential.
